Présentation du projet avec date

  
pour les projets et les formations la structure de la page est la même

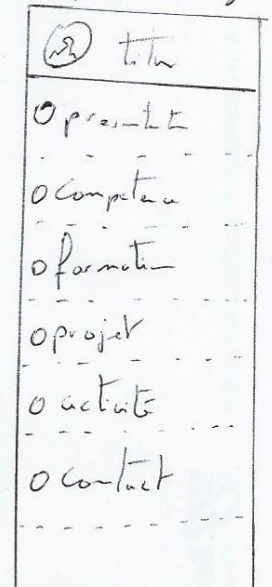

## Présentation

## Menu home

## Menu Burger

## Contact

Hand-drawn contact form layout. At the top left is a hamburger menu icon (three horizontal lines). To its right is a circular profile picture placeholder. Below these are three input fields: "Nom Prenom", "Email", and "Message". The "Message" field is a larger text area. At the bottom right is a circular button with a right-pointing arrow.

## Compétences

Hand-drawn skills section layout. At the top left is a hamburger menu icon. To its right is a circular profile picture placeholder. Below these are three sections separated by dashed lines: "Langage", "Software", and an empty section. The "Langage" section contains a 3x3 grid of skill icons: CSS, HTML, PHP, JS, WL, and SQL. The "Software" section contains two empty circular icons. A vertical line with a downward arrow and the word "Scroll" is positioned to the left of the "Langage" and "Software" sections.
